

Subject: [IV-D] Return to work in NJ
Sent: Monday, July 10, 2006 5:46 AM

Directors,

As you may have seen, today we are returning to work. We are giving priority to getting through the mail to retrieve payments that did not come directly into the SDU at all. We are also focused on getting hearings back on track. Please let your counties and localities know that we will be back in full force by end of week but they may have to have some patience. Again, thanks for your support.

Thank you,
Alisha Griffin
